Terms and Conditions

Application testing is the sole responsibility of the exhibitor. Auto-focus is required to use the scanning feature. If your device does not have auto-focus, the badge ID must be keyed into the app. No refunds or cancellations will be permitted on devices lacking auto-focus.

An activation is needed for each device that will be used to scan. Activations cannot be reused if the app is uninstalled. If the app is uninstalled, the activation is lost, and an additional activation will need to be purchased at the exhibitor's expense. Activations cannot be transferred to other devices.

DO NOT DELETE, SIGN-OUT, UNINSTALL, OR CLEAR THE CACHE OF THE APP ONCE THE APP HAS BEEN ACTIVATED OR THE ACTIVATION AND LEADS MAY BE LOST.

One week prior to the event, instructions will be sent to the email address provided.

All equipment is offered on a rental basis and must be returned to the lead retrieval desk at the start of the scheduled exhibit hall breakdown. Any exhibitor who fails to return equipment promptly will incur a **$99** per hour late fee. All equipment is the sole responsibility of the exhibitor during the rental period. Lost or damaged equipment is subject to an additional charge, up to the full replacement cost of **$29** per charger, **$799** per scanner, **$1,299** per mini kiosk, **$1,599** per kiosk, and **$1,999** per eKiosk. All equipment is due back no later than 30 minutes after the exhibit hall closes on the last day.

All refund and cancellation requests must be submitted via email prior to **12/11/2026**. Approved refunds and cancellations will receive a credit voucher for the full order amount, which can be applied toward any future eShow Lead Retrieval purchase. No credits will be issued for requests received after the deadline or for unused devices or activations.

The attendee data collected through the lead retrieval system is strictly for the exclusive use of the exhibiting company that purchased the lead retrieval services. The exhibitor is expressly prohibited from selling, sharing, transferring, or otherwise distributing this attendee data to any other individual, company, or third party. Misuse of attendee data may result in termination of services and other legal remedies.
