What Comes With A Booth

- Product category listing in the official mobile app and IEEE PES T&D website.
- Standard flameproof booth equipment.
- Linear booths:
 - 8' high pipe and drape backwall
 - 3' high pipe and drape side rails
 - 7" x 44" booth identification sign (company name and booth number)
- Exhibit Hall aisle carpeting. (Carpet/floor covering is required and must be provided at the exhibitor's expense.)
- On-site aid:
 - Exhibit Management Office and Floor Managers
 - During set-up, show days and dismantle starting Thursday, 2 May.
- 4 (or more) complimentary exhibitor badges. Badge allotments are based on booth size, refer to table.
- Unlimited reduced rate Exhibits Plus Pass Guest Invitations for admission to the Show for your invited guests, customers, and clients.

Official Vendors

Booth Size	Badge Allotment
100 SF	4
200 SF	7
300 SF	8
400 SF	9
Greater than 400 SF	9 + 1 badge per additional 100 SF (i.e., 600 SF = 11)

Target Move-In

Due to the show size and limited aisle space available during move-in, a targeted move-in schedule will be followed.

What is Target Move-In?

- A target move-in date is assigned to each company.
- This refers to the date and time the exhibitor may schedule on-site freight delivery.
- All display materials and other freight MUST arrive on the target move-in date. Display materials which arrive before or after the target move-in may be subject to an additional surcharge.
- Exhibitors are not required to begin setting up on their target move-in date, but this is the first day they CAN begin. They are also not required to be in their booths for delivery unless they wish to oversee the unloading and/or specify placement of machinery.
- Moving machinery after initial placement will require ordering forklift service (additional costs).
- Contact Freeman: Call or text (888) 508-5054 Monday-Thursday 7:00 AM–7:00 PM Central or Friday 7:00 AM-5:00 PM Central.

[More Details](#)

What is my Target Move-In Date?

- All 400 SF Booths (20' x 20') are assigned a Target Move-In Date of **12:00 PM Friday, 3 May 2024**.
- All Linear Booths (10' x 10', 10' x 20', etc.) are assigned a Target Move-In Date of **Saturday, 4 May 2024**.

For all other booths assignments:

- Will be between 2-4 May 2024 | between 8:00 AM – 5:00 PM
- Are indicated on the [Target Move-In Floorplan](#)*:
 - Find your booth on the Floorplan.
 - Then match the color of your booth to the key below.
 - Note: floorplan last updated 4 March 2024

***The floorplan may change. If/when it does the target plan will be updated accordingly.**

	THURSDAY 8 A.M.
	THURSDAY 12 NOON
	FRIDAY 8 A.M.
	FRIDAY 12 NOON
	SATURDAY & MONDAY 8 A.M.

Clean Floor Policy

Removal Dates and Times

Target Move-In Date	Target Move-In Time	Your Crates Must Be Marked Empty By:	
Thursday, 2 May	8:00 AM	Saturday, 4 May	12:00 PM
Thursday, 2 May	12:00 PM	Saturday, 4 May	4:00 PM
Friday, 3 May	8:00 AM	Sunday, 5 May	12:00 PM
Friday, 3 May	12:00 PM	Monday, 6 May	8:00 AM
Saturday, 4 May	8:00 AM	Monday, 6 May	12:00 PM
Saturday, 4 May or Sunday, 5 May (all remaining wood crates/pallets)		Monday, 6 May	10:00 AM
In addition to the empty crate removal schedule above, we will also follow the timeline below:		Monday, 6 May	
All fiber cases, cardboard boxes, packing material, etc.		1:00 PM	
Visqueen on booth carpet should be rolled up by the exhibitor or EAC and placed in the aisle.		3:00 PM	
All aisles must be 100% clear of product and any other items that may impede the installation of aisle carpet.		4:00 PM	

Clean Floor Policy is **strictly enforced**. It allows for:

- Our Service Contractor, Freeman sufficient time to complete the laying of the aisle carpet
- The overall cleaning of the exhibit hall
- Exhibitors with the space to complete their booth set-up by keeping aisles clear - **No Freight Aisles**
 - In addition, certain aisles will be designated as “No Freight” aisles.
 - A “No Freight” aisle must be kept clear at all times of crates and boxes in order for all freight to be delivered in a timely fashion.

Wood Crates/Pallets

- **All WOOD CRATES/PALLETS are to be tagged and ready for removal from the exhibit floor no later than date/time indicated on the table provided.**
- All crates not marked empty or access storage labels and made available for removal (whether they are full or empty) by the indicated date/time will be subject to removal or movement by Freeman at exhibitor’s expense. Exhibitors may request crates to be returned to their booth at their own "expense".

POV: Privately Owned Vehicles

The following applies to exhibitors' hand carrying their own materials in their own vehicles.

Definition of Privately Owned Vehicle (POV):

POVs are defined as cars, pick-up trucks, vans and other trucks primarily designed for passenger use, not cargo or freight. The use or rental of dollies, flat trucks and other mechanical equipment is **not permitted**. Vehicles that do not qualify for this service, or that have material that requires mechanical assistance to unload, will be directed to the Freeman Marshalling Yard.

- Cart Service is available at \$295 per trip – [Click for details](#)
- **Freeman workers will unload vehicles NOT EXHIBITORS**
- Two people must be with the vehicle.
- Questions: Contact Freeman | (888) 508-5054

Sedan

SUV

Pickup

Van

VEHICLES THAT DO NOT QUALIFY:

Trailer

Commercial Van

Rentals

Bobtail

Stakebed

*Please visit the Freeman Service Center to complete and/or submit an Outbound Material Handling Agreement.

Exhibitor Rights - Labor

The Exhibitor shall comply with any union requirements regarding the installation, operation and dismantling of its exhibit then in effect at the Exposition Facility and shall respect all Exposition Facility contracts and rules. Show Management may permit the Exhibitor's own full-time employees to perform some specific work within its exhibit space; in no event shall an unauthorized independent contractor be permitted on the Exposition floor to perform work. The Group assumes no responsibility for failure to perform by contractors, their charges for services provided or for any other matter relating to contractors, unions, or the Exposition Facility.

Decorators Union

- Members of this union claim jurisdiction over all set-up and dismantling of exhibits including signs and laying of carpet. This does not apply to the unpacking and placement of your merchandise. **You may install and/or dismantle your exhibit display if one person, who is a full-time employee, can accomplish the task in an hour or less without the use of tools.**
- If your exhibit preparation, installation or dismantling requires more than 1 hour, you must use union personnel supplied by the Official Decorating Contractor. As an exhibitor, when union labor is required, you may provide your company personnel to work along with a union installer in Southern California on a one-to-one basis.

Share Your Details

We're creating free custom graphics just for you to help spread the word that you're exhibiting at the 2024 IEEE PES T&D Conference and Exposition. All we need is for you to upload your logo into the Exhibitor Hub and we'll take care of the rest. Follow these quick 4 steps to upload your logo:

- Step 1: Login to your [Exhibitor Portal](#)
- Step 2: Navigate to the Exhibitor Hub
- Step 3: Click the 3-dot menu located on the cover banner top-right corner.
- Step 4: Click "Add Photo" to upload the Company Logo image that will also display on your exhibitor listing

Tip: The recommended company logo image size is 360x360 pixels. If you need additional help on uploading your logo, please reference [this article](#). Upload your logo by 15 March to get your free assets!

[Upload My Logo](#)

Invite Customers

Convention Data Services (CDS) offers several opportunities to spread the word to your customers. Once you're logged into CDS, navigate to the Invite Customers portal on the left-hand menu. This will take you to a "Ways to Invite Customers" page with the following options:

- **Share Your Custom Registration Link:** Create a custom link to share your special registration promo code with customers.
- **Distribute Your Promo Code:** Create a "ticket" that will automatically fill in your company's details and promo code into an email (includes sample email for a mass email).
- **Complimentary Marketing Campaigns:** Access a free email marketing tool

Tweets from @btechinc

The tweet is from @btechinc, dated Feb 7. The text reads: "Don't wait until your battery malfunctions, fails, or breaks. With our liquid level Electrode Level Sensor (ELS) you'll have peace of mind knowing your system is protected by 24/7/365 monitoring that meets #NERC standards." The tweet includes a link to #batterymonitoring and a video thumbnail titled "WHY BUY ELS FROM BTECH?".

LISTINGS

The listing is for "5S Battery Monit..." by BTECH, Inc. It features a search bar, a "Filter" button, and a "Created" dropdown. The listing includes a product image and a "Explore" button.
