### Meet our sponsors

This year's virtual **Asset Management Derivatives Forum** is brought to you through the support of our sponsors.

Take a moment to learn more about each company and the valuable products and services they provide.

We look forward to connecting with you next week!

#### GOLD SPONSORS

As the world's leading and most diverse derivatives marketplace, CME Group enables clients to trade futures, options, cash and OTC markets, optimize portfolios, and analyze data. CME Group exchanges offer the widest range of global benchmark products across all major asset classes based on interest rates, equity indexes, foreign exchange, energy, agricultural products and metals. For more information about CME Group visit [www.cmegroup.com](http://www.cmegroup.com). Learn more about **CME Term SOFR Reference Rates**, **CME Group E-mini S&P 500 ESG Futures**, and **Traiana ClientLink for Periodic Payment Messaging**.

Saphyre leverages exclusive US Patent-Approved AI technology to structure all pre-trade data and documents, creating a cloud-based golden copy of reference data for use in trading and post-trade. Saphyre's provides pre-trade workflows for multilateral counterparties: between asset owners and buy-sides/custodians, buy-sides and their brokers/prime brokers/custodians. Saphyre allows firms not only to assess risk faster, speed their ready to trade process, but also eliminate failed trades and inefficient processes in the booking, confirmation, allocation, and settlement space - thereby directly benefiting the front office. For more

information about Saphyre visit: [www.saphyre.com](http://www.saphyre.com). Visit Saphyre on [LinkedIn](#), [Twitter](#), [YouTube](#), [Facebook](#), and [Instagram](#).
