Tuesday, 19 August | 10 p.m.
\$175

Join your BICSI peers at Sphere in Las Vegas on Tuesday, 19 August, at 10 p.m. for *V-U2 An Immersive Concert Film* – a one-of-a-kind immersive cinematic experience that captures U2 at their very best during their sold-out run at Sphere from September 2023 through March 2024. This is the first film ever to be shot with Big Sky cameras, an ultra-high-resolution system developed by Sphere Entertainment. The larger-than-life visuals are displayed in 16K x 16K resolution on a massive 160,000-square-foot screen that envelops the audience. With Sphere Immersive Sound and haptic seats that use vibrations to “feel” the concert experience, this is the closest you can get to being at the live show!
