Note: Access to ICT Direct Winter 2025 is also included with full Winter Conference registration.

IMPORTANT: The discounted SIMS registration rate is available to all registrants who qualify as a Senior (62+), Installer/Technician, Active Military, or Full-Time Student. RCDDs and RITPs may only register under the SIMS category if they are also a senior citizen, active military member, or are currently enrolled as a student. All attendees registering as a Student, Active Military, or Senior must provide official documentation and/or ID prior to registering for the conference.

Total Registration Fees

Every in-person, full Conference Registration includes a ticket to the Awards Banquet.

Will you be attending the Awards Banquet on Wednesday, 5 February? Yes No

I agree to the below policies, waiver, and terms & conditions.

BICSI Events Code of Conduct: It is BICSI's goal to provide a welcoming environment for all participants at its events, in person or online. Participants are required to engage in professional conduct at all times and to treat every other participant with respect. Any participant failing to follow this rule may be subject to removal from the event and other discipline at the discretion of BICSI.

Important Notice and Waiver: I acknowledge that travel and attendance at in-person events involves the risk of contracting communicable diseases. I agree to comply with all safety protocols announced by BICSI or the facility. I agree to waive and hold BICSI harmless from and against any liability or expenses arising from the contraction or spread of communicable disease at the BICSI event.

Privacy Policy and Terms & Conditions: By registering, you acknowledge you have read and agree to be bound by our [Privacy Policy](#) and [Terms & Conditions](#).

Signature Date

Guest Registration

Guests of attendees may include a spouse, significant other, family member, or friend NOT in the information and communications technology (ICT) industry. The guest registration fee provides access to the evening receptions in the Exhibit Hall on Monday and Tuesday, lunch in the Exhibit Hall on Wednesday, and snack items in the Guest Hospitality Lounge from Tuesday to Thursday. There will also be special activities in the Guest Hospitality Lounge on Tuesday and Wednesday. The Guest/Spouse Registration fee is \$160 per person.

- "Optimizing AI Deployments: High-Density Power, Cooling, and Infrastructure Solutions for Modern Data Centers" (3 CECs)

Total Pre-Conference Masterclass Registration Fees

Add-On Experiences

- BICSI EduTour – Orlando International Airport, Terminal C Technology Tour**
Date: Monday, 3 February
Time: 7:45 a.m.-4:30 p.m.

Cost: \$370 Member | \$530 Nonmember
CECs: 5
 Limit of 40 people

Join BICSI on a behind-the-scenes tour of Orlando International Airport's South Terminal Complex, the first fully integrated, multi-modal airport terminal in the United States for rail-air-ground transportation. Terminal C is one of the first LEED® v4-certified airport campuses in the world, with a design that provides 25% energy cost-savings over the latest ASHRAE 90.1-2010 standard. The 1.3 million-square-foot terminal incorporates many additional firsts for U.S. airports: technologies including total virtual ramp control, advanced automated screening lanes, facial recognition "e-gates," a "Bags First" design, and an RFID technology-based trackable baggage system. By registering for this EduTour, you will receive transportation between the Gaylord Palms Resort & Convention Center and the Orlando International Airport; lunch; and qualification for five CECs. Participants will go through a Transportation Security Administration checkpoint with the same restrictions as passenger screening. A valid government ID will be required. For more information about this experience, please visit bicsi.org/edutour.
