EXHIBITOR PROSPECTUS

Microscopy & Microanalysis 2025 Meeting

Salt Palace Convention Center
Salt Lake City, Utah

Exhibit Dates: July 28 – July 31, 2025

The Microscopy Society of America and the Microanalysis Society are pleased to invite you to exhibit at the Microscopy & Microanalysis (M&M) 2025 Annual Meeting in Salt Lake City, Utah on July 28 – 31, 2025!

WHY

EXHIBIT AT M&M?

Distinguished as with the world's largest annual microscopy exhibition, the M&M Exhibit Hall unveils cutting-edge instrumentation, applications, and accessories to the scientists, researchers, and technologists who attend for education, networking, and research collaboration.

M&M understands how important it is to promote its exhibitors to innovators, experts, and industry leaders in a dynamic and engaging environment to foster networking and collaboration by driving traffic to the Exhibit Hall with Scientific Poster Presentations, Poster Awards, Vendor Tutorials, and more!

Attendees visit the Exhibit Hall to engage with the latest technologies & for hands-on, live demos.

VENDOR TUTORIALS

Vendor Tutorials are an opportunity to hold a hands-on demonstration, learning session, or presentation for a group of interested attendees in your booth – at **no charge to exhibitors** or attendees to participate!

Tutorials will be held on Monday, Tuesday, & Wednesday from 5:45 - 6:45pm. Sign up for one, two, or all three days!

NEW for 2025! To assist in making valuable connections at M&M, exhibitors will now collect, track, and confirm participation for Tutorials however you choose! Plus, we removed the requirement for attendees to exit the Exhibit Hall before Tutorials begin! For ideas on how to collect sign ups, please [click here](#).

Want to host a Vendor Tutorial? Submit a [Vendor Tutorial Request Form](#) no later than **Friday, June 20**. If you have questions, please email Anna@CorcExpo.com.

SUSTAINING MEMBERSHIP

Companies in the microscopy community, especially those with commercial concerns & who are interested in its promotion & growth, can provide special support by becoming a **Sustaining Member** with the Microscopy Society of America (MSA).

Sustaining Members are recognized prominently in all MSA publications including: The Journal of Microscopy & Microanalysis, the M&M Sustaining Member Directory, the MSA Directory, and the Annual M&M Meeting Program. Plus, for M&M Annual Meetings, Sustaining Members receive additional priority points for the booth renewal program!

Companies may also join as a Joint MSA/MAS Sustaining Member and enjoy benefits of membership in both Societies at a reduced rate!

Exhibitor Rules & Regulations

The Microscopy Society of America and The Microanalysis Society is herein referred to as M&M, and authorized representatives and Corcoran Expositions, Inc. are hereinafter referred to as “Show Management.” By completing the M&M Exhibit Space Application for the M&M 2025 Meeting & Exposition, the company, organization, association, and management company (collectively referred to as “exhibitor” or “exhibit”) acknowledge they have fully read and agree to comply with all rules and requirements provided in the M&M 2025 Meeting & Exposition Rules and Regulations, as well as related procedures, forms, Exhibitor Service Kit, etc.

Contract for Space

Completion of the application process represents a firm and binding contract with the understanding and agreement to abide by all rules, regulations, and conditions of M&M and the conference venue. Failure to abide by such rules and regulations will result in forfeiture of all monies paid or due to M&M under terms of this agreement and no booth space will be provided.

Payment Policy

Applications submitted prior to March 28, 2025, must be accompanied by a non-refundable deposit payment in the amount of \$500 per 10' x 10' (100 sq ft) booth space. Applications received without such payment will not be processed nor will space assignment be made.

Balance payments will be due on or before March 28, 2025. Applications submitted after March 28, 2025, must be accompanied by payment IN FULL. Applications received without such payment will not be processed nor will space assignments be made. Exhibitors are not confirmed until payment is received, and application is approved.

Credit card payments will be processed directly through the secure Paytrace link that is provided in the application confirmation. Payments by check must be made payable to the Microscopy Society of America, PO Box 485, La Grange, IL 60525-048 (Federal Tax ID #11-6042333). Fees associated with an exhibitor using a third-party payor (ACH payments, management companies, etc.) are the responsibility of the exhibitor. M&M is not responsible to absorb these fees, and all rates will be adjusted accordingly.

Cancellations & Reductions

Cancellation of space must be received in writing to MM@CorcExpo.com. Cancellations received on or prior to March 28, 2025, will be refunded less the non-refundable amount of \$500 per 10'x10' (100 sq ft) booth. No refunds will be issued for cancellations after March 28, 2025, and companies are liable for 100% of the booth cost after this date. If exhibit space is reduced, the net reduction of

space will be treated as a cancellation of that space. Exhibitors who change the size of their exhibit space are not guaranteed the originally assigned location and will be subject to relocation.

Exhibitors with reserved exhibit space who do not inform M&M in writing of their inability to exhibit prior to the exhibit hall opening, may lose up to 50% of accumulated priority points, forfeit all payments for booth rental, and may be ineligible to exhibit at future M&M conferences.

Exhibit Space Rental & Assignment of Location

It is expressly agreed by the exhibitor, in the event they fail to pay the space rental at the times specified, or fail to comply with any other provisions contained in these rules and regulations concerning use of exhibit space, Show Management has the right to reassign the booth location shown on the exhibit contract or to take possession of said space and lease same, or part thereof, to such parties and upon such terms and conditions as it may deem proper.

In the event of a default by the exhibitor, as set forth in the previous sentence, the exhibitor shall forfeit as liquidated damages, the amount paid by the exhibit space reservation, regardless of whether Show Management enters a further lease for the exhibit space involved. In the case the exposition shall not be held for any reason whatsoever, then the rental and lease of exhibit space to the exhibitor shall be terminated. In such case, the limit claim for damage and/or compensation by the exhibitor shall be the return to the exhibitor of the amount already paid for exhibit space for this specific event.

Whenever possible, exhibit space assignments will be made by Show Management keeping with the preferences as to location requested by the exhibitor. M&M Show Management reserves the exclusive right to revise the exhibit hall floor plans and relocate any assigned exhibitors as necessary for the betterment of the event. Management has the right to require the second company who places themselves next to a competitor to move locations. Again, exhibitors who change the size of their exhibit space are not guaranteed the originally assigned location and will be subject to relocation.

Tabletop Exhibits

Tabletop exhibit space is available for first time exhibitors only. All items must fit on the table; floor space is not available. Exhibitors can take advantage of the tabletop space only once.

Use of/Subletting of Space

No exhibitor shall assign, sublet, or share their allotted exhibit space with another business, company, or exhibitor

M&M 2025 Meeting & Exhibition

July 27-31, 2025 | Salt Lake City, UT

unless approval has been obtained in writing from Show Management. No exhibitor may permit any other party to exhibit or feature names, advertisements, or any goods or services other than those manufactured or handled by the contracting exhibitor in their space, nor permit the solicitation of business by others within that space, parent or subsidiary companies excepted. Exhibitors must show only goods manufactured or dealt by them in the regular course of business. Should an article of a non-exhibiting company be required for operation or demonstration in an exhibitor's display, identification of such article shall be limited to the usual and regular nameplate, imprint, or trademark under which it is sold in the general course of business. No company or organization who has not been assigned exhibit space will be permitted to solicit business within the exhibit areas.

Operation of Displays

Show Management reserves the right to restrict the operation of, or evict completely, any exhibit which, in its sole opinion, detracts from the general character of the exposition as a whole, including but not limited to, an exhibit which, due to noise, flashing lights, method of operation, display of unsuitable material, etc. is determined by Management to be objectionable to the successful conduct of the exposition. Use of so-called "barkers" or "pitchmen" is strictly prohibited. All demos or other promotional activities must be confined to the limits of the exhibit space. Sufficient space must be provided within the space for the comfort and safety of persons watching demos and other promotional activities. Each exhibitor is responsible for keeping the aisles near exhibit space free of congestion caused by demos or promotions.

Direct Sales

No direct retail sales are permitted within the exhibit areas at any time. Orders may be taken for future delivery.

Contests, Drawings, Lotteries

All unusual promotional activities must be approved in writing by Show Management no later than 60 days prior to the opening of the exposition.

Distribution of Materials & Literature

No canvassing or distribution of advertising materials will be allowed outside an exhibitor's own booth space. All demonstrations or other activities must be confined to the limits of the exhibitor's booth space. Distribution of circulars may be made only within the space assigned to the exhibitor distributing such materials. No advertising circulars, catalogs, folders, or devices shall be distributed by exhibitors in the aisles, meeting rooms, registration area, message centers, food courts, lounges, restrooms, shuttle buses, hallways, elevators, grounds of the facility, or in the official conference hotels. Trade publishers are prohibited

from soliciting advertising during the Show. Trade publications may be distributed from their booth, but automatic distribution is prohibited. Material found in non-approved areas will be destroyed without notice.

Copyright Licensing

Exhibitor is solely responsible for obtaining any required licenses to broadcast, perform, or display any copyrighted materials including but not limited to music, video, and software. Exhibitor shall indemnify and hold harmless M&M, Show Management, and facility against cost, expense, or liability which may be incident to, arise out of, or be caused by Exhibitor's failure to obtain requisite license.

Photos, Videos, and Images

Exhibitor consents to the M&M Meeting & Exposition using any photos, other images and any results of conference related activities that occur during the M&M Meeting & Exposition for promotional campaigns, media outreach efforts, various publications/communications or other business purposes, as determined by M&M, without compensation. Photographing or video recording of any M&M meeting and exposition activities is prohibited without prior written approval by M&M.

Photographing or video recording another exhibitor's equipment or display without that exhibitor's permission is forbidden. M&M, its agent or security will confiscate the recorded or captured images of any exhibitor who violates these rules. Photography, video, and audio recordings of attendees for promotional or commercial purposes (including use in printed materials, websites, or social media) must receive written permission/authorization.

Animals

No animal other than an animal that qualifies as a "service animal" or police dog, as those animals are refined by law, shall be brought onto the property without the prior approval of the convention center. This applies regardless of the type of animal or the length of time the animal will be on property. A service animal is not a pet. The Americans With Disabilities Act (ADA) defines a service animal as any guide dog, signal dog, or other animal individually trained to provide assistance to an individual with a disability. A service animal is permitted to accompany the individual with a disability to all areas of the property where guests normally are allowed to go. The care and supervision of a service animal is solely the responsibility of the owner. The facilities are not required to provide care, food, or a special location for the animal.

Models

Booth representatives, models, and/or demonstrators must be properly and modestly clothed. Excessively revealing attire is prohibited.

M&M 2025 Meeting & Exhibition

July 27-31, 2025 | Salt Lake City, UT

Noise/Sound

Exhibits which include the operation of musical instruments, radios, sound projection equipment, public address systems, or any noisemaking machines must be conducted or arranged so that the noise resulting from the demonstration will not annoy or disturb adjacent exhibitors and patrons, nor cause the aisles to be blocked. Exhibit representatives must keep their messaging and voice to a level that is not disruptive to neighboring exhibits and does not discourage attendees from visiting other exhibitors around their booth. Operators of noisemaking exhibits must secure approval of operating methods with Show Management before the exhibit opens. If Show Management determines any sound is objectionable, it must be remedied immediately, or use of the sound equipment or device will be removed from the exhibit hall for the remainder of the conference.

Children

For their own safety and protection, persons under the age of eighteen (18) are not allowed in the exhibit hall at any time, may not staff the booth, or assist in the move-in and/or move-out of any exhibit.

Authorized Exhibitor Representatives

Each exhibitor must name a primary person to be the representative in connection with installation, operation, and removal of the company's exhibit. Such representative shall be authorized to enter into such service contracts as may be necessary and for which the exhibitor shall be responsible. The exhibitor shall assume responsibility for such representative being in attendance throughout all exposition periods. This representative shall be responsible for keeping the exhibit stationed, neat, and orderly.

Installation & Removal

Show Management reserves the right to fix and update the times for installation of booths prior to the Show opening and for its removal after the conclusion of the Show. Installation of all exhibits must be fully completed by the opening time of the exposition. Any space not claimed and occupied three hours prior to opening may be resold or reassigned without refund. No exhibitor will be allowed to dismantle or repack any part of their exhibit until after the closing of the Show.

Exhibitor Service Kit

Each exhibitor is provided an Exhibitor Service Kit, which includes forms for ordering furniture, electric, telephone, plants, booth cleaning, audiovisuals, and labor, as well as information regarding shipping and material handling, via email to confirmed exhibitors. The Service Kit describes the type and arrangement of exhibit space and the standard equipment provided by Show Management for booth construction. All booth space must be arranged and

constructed in accordance with the guidelines, provisions, and limitations contained in the Service Kit. If, in the sole opinion of Show Management, any exhibit fails to conform to the guidelines, or the provisions set forth herein, such exhibit will be prohibited from functioning at any time during the exposition.

Booth construction plans and layout arrangements for first-time exhibitors, island booth spaces, or exhibits involving unusual construction features, must be submitted for approval at least sixty (60) days prior to the opening of the exposition. If proposed plans and/or construction is determined to be in violation, M&M reserves the right to prohibit assembly of the booth and is under no obligation to provide a refund or other restitution.

Signage

Exhibit signs are permitted only within the confines of the booth. The top of any hanging banners or signs must not exceed 22' from the floor. M&M strictly prohibits the display of signage of any type by exhibitors throughout the official conference hotels. No signs can be posted, nailed, or attached to columns, walls, floors, or other parts of the facility. The general contractor handles orders of signs.

Public Policy

Each exhibitor is charged with knowledge of all laws, ordinances, and regulations pertaining to health, fire prevention, and public safety while participating in the exposition. Compliance with such laws is mandatory for all exhibitors and the sole responsibility is that of the exhibitor. Show Management and service contractors have no responsibility pertaining to the compliance with laws as to public policy as far as individual exhibitor's space, materials, and operation is concerned. Should an exhibitor have any questions as to the application of such laws, ordinances, and regulations to his exhibit or display, Show Management will endeavor to answer them.

Fire & Decoration Regulations

All material used in the exhibit hall must be flameproof and fire resistant in order to conform to local fire ordinances and all hangings must clear the floor. The use of latex products is restricted. Balloons and inflatables are prohibited. Electrical wiring must conform with National Electrical Code Safety Rules. If inspection indicates any exhibitor has neglected to comply with these regulations, or otherwise incurs fire hazard, the right is reserved to cancel all, or such part of the exhibit as may be irregular and effect the removal of same at exhibitor's expense. Exhibitors will not be permitted to store behind their booth background any excess material such as cardboard cartons, literature, etc. Excess supplies must be stored in areas which will be available for such purpose. If unusual equipment or machinery is to be installed or if appliances that might come under fire codes are to be used,

M&M 2025 Meeting & Exhibition

July 27-31, 2025 | Salt Lake City, UT

the exhibitor should communicate with Show Management for information concerning facilities or regulations. Independent contractors must conform to IAEM, ESCA, and ED&PA guidelines. All exhibit labor must comply with established labor jurisdictions.

Storage of Packing Crates & Boxes

Exhibitors will not be permitted to store packing crates, boxes, and/or cartons in or behind their booths during the exhibit period. When properly marked, crates, boxes, and/or cartons will be stored and returned to the booth by service contractors. It is the exhibitor's responsibility to mark and identify his crates. Crates not properly marked or identified may be destroyed. Show Management assumes no responsibility for the contents of crates or boxes improperly labeled as "empty." Because of the lack of storage facilities, it may be necessary to store empty crates and cartons outside the building. Every effort will be made to protect the crates from the elements, but neither Show Management nor its service contractors will assume any responsibility for damage to them. The removal and return of large crates will be charged at prevailing rates. Crates, boxes, or other exhibit materials unclaimed by the exhibitor after the Show will be removed at the exhibitor's expense. Exhibitors will be billed by Show Contractors for removal time and materials at prevailing rates.

Meetings, Events, Activities, & Social Functions

M&M has strict policies for interaction with conference attendees and use of meeting space at the conference venue, restaurants, and area hotels for activities and events. Exhibitor agrees to withhold sponsoring hospitality suites/rooms or other functions during official show activities, including exhibit hours, social functions, educational seminars, and any other related activity scheduled by Show Management. These meetings include social functions, hospitality suites, promotional events, focus groups, research activities, educational events, and exhibitor preconference meetings. Research activities include off-site meetings, market research, and any other interaction with conference attendees that is not officially part of the M&M 2025 Meeting & Exhibition schedule and activities.

Insurance

All property of the exhibitor remains under his custody and control in transit to and from the exhibit hall and while it is in the confines of the exhibit hall. Neither Show Management, its service contractors, exhibit hall management, nor any of the officers, staff members, or directors of any of the same are responsible for the safety of the property of exhibitors from theft, damage by fire, accident, vandalism, or other causes, and the exhibitor expressly waives and releases any claim or demand they may have against any of them by reason of any damage to or loss of any property of the exhibitor. It is recommended that exhibitors obtain adequate

insurance coverage, at their own expense, for property loss or damage and liability for personal injury.

Liability

M&M, Corcoran Expositions, Inc., IMS, and the Salt Palace Convention Center, and each of their parents, subsidiaries and affiliates and each of their officers, directors, agents, employees, members and guests (individually and collectively, the "Released Parties") do not assume any responsibility for personal injury or death or loss or damage to property, including exhibits, equipment, personal belongings, etc. except for personal injury, death or loss or damage to property that arises from the gross negligence of the Released Parties. The exhibitor assumes entire responsibility and liability for any and all claims, losses, or damages arising out of personal injury or death or loss or damage to property, including the exhibitor's display materials and other property, employees or contracted labor brought upon the premises, and agrees to indemnify and hold harmless the Released Parties against any and all claims for personal injury or death, or losses or damages to property, except such injury, death, loss or damage resulting from gross negligence or malice of Released Parties. To avoid damage equipment or displays, please remain with your exhibit until crates are returned and your material is packed.

Indemnification

The exhibitor agrees to indemnify, protect, save and keep M&M, Show Management, IMS, and the Salt Palace Convention Center and each of their parents, subsidiaries, and affiliates and each of their officers, directors, agents, and employees (individually and collectively the "Indemnified Parties") harmless of, from, and against all claims, demands, actions, damages, loss, cost, liabilities, expenses, and judgments recovered from or asserted against Show Management on account of injury or damage to person or property to the extent that any such damage or injury may be incident to, arise out of, or be caused, either proximately or remotely, wholly or in part, by an act, omission, negligence, or misconduct on the part of exhibitor or its agents, servants, employees, contractors, patrons, guests, licensees, or invitees or of any other person entering upon the premises leased hereunder with the express or implied invitation or permission of exhibitor, or when any such injury or damage is the result, proximate or remote, of the violation by exhibitor or any of its agents, servants, employees, contractors, patrons, guests, licensees, or invitees of any law, ordinance, or governmental order of any kind, or when any such injury or damage may in any other way arise from or out of the occupancy or use by exhibitor, its agents, servants, employees, contractors, patrons, guests, licensees, or invitees of the premises leased hereunder.

M&M 2025 Meeting & Exhibition

July 27-31, 2025 | Salt Lake City, UT

Such indemnification of Show Management by exhibitor shall be effective unless such damage or injury may result from the sole negligence, gross negligence, or willful misconduct of Show Management. Exhibitor agrees that in case Show Management shall be made a party to any litigation commenced by or against exhibitor or relating to this lease or the Premises leased hereunder, then exhibitor shall and will pay all costs and expenses, including reasonable attorney's fees and court costs, incurred by or imposed upon Show Management by virtue of any such litigation.

Property Damage

Neither Show Management nor Exhibitor shall be responsible for any loss of or damage to property of the other party hereto, including, but not limited to, loss or damage occurred by theft, fire, smoke, acts of God, public enemy, riot, civil commotion, or other insurable casualty, and Show Management and Exhibitor expressly waive any claim for liability against the other party hereto with respect to any such loss or damage. Accordingly, it shall be the responsibility of Show Management and Exhibitor, respectively, to secure its own insurance or otherwise protect itself and its property against such loss or damage.

Security

M&M cannot guarantee against loss or damage of any kind. Exhibitors are not to place products or other items of value in their assigned booth until exhibit personnel are on-site. If any items of value are missing, please contact security immediately. All exhibitors are to take any valuable, personal, and portable items out of their exhibits when the show is not open or make arrangements to provide additional security for their exhibit booth. Exhibitors must always wear the official M&M conference badge, and the badge is non-transferable. M&M Show Management reserves the right to confiscate and revoke any badge and related exhibitors at any time.

COVID-19

By submitting an exhibitor application, exhibitor consents to participate in the 2025 M&M Meeting & Exposition. Exhibitor understands and agrees to adhere to any M&M; Corcoran Expositions, Inc.; Centers for Disease Control and Prevention; and local guidelines or regulations related to any infectious disease, including COVID-19, in place at the time of the event. Exhibitor acknowledges and agrees that they are fully responsible for their own safety and actions while participating in the 2025 M&M Meeting & Exposition and recognizes that their employees may be at risk of contracting COVID-19 through no fault of M&M or Corcoran Expositions, Inc. With full knowledge of the risks involved, exhibitor hereby releases, waives, covenants not to sue, and further agrees to indemnify, defend, and hold harmless the Released Parties from any and all liabilities,

claims, demands, actions, causes of action, costs, expenses, damages, and lawsuits whatsoever, directly or indirectly arising out of or related to any loss, damage, injury, or death, that may be sustained by exhibitor, or its employees, while participating in any activity while in, on, or around the premises or while using the facilities.

Care of Building & Equipment

Exhibitors or their agents shall not injure or deface any part of the exhibit building, booths, or booth contents or show equipment and decor. When such damage appears, the exhibitor is liable to the owner of the property so damaged.

Americans With Disabilities Act (ADA)

The Salt Palace Convention Center is responsible for complying with the public accommodations' requirements of the ADA. M&M is responsible for complying with certain defined public accommodations requirements of ADA within the meeting and event rooms and exhibit hall space used by M&M. Exhibitors acknowledge their responsibility under the ADA to make their booths accessible to handicapped persons. Exhibitor shall also indemnify and hold harmless M&M, Show Management, and facility against cost, expense, liability, or damage which may be incident to, arise out of or be caused by exhibitor's failure to comply with the ADA.

If you have any related questions or require special accommodations or auxiliary aid needs relating to a disability for your conference participation, please notify M&M Show Management at MM@CorcExpo.com.

Amendments of Rules & Regulations

Any and all matters and questions not covered by these regulations are at the discretion of M&M and Show Management. These regulations may be amended any time by M&M, and all amendments that may be so made shall be equally as binding, upon publication, on all parties affected by them as were the original regulations.

THE SHOW MANAGEMENT SHALL HAVE FULL POWER TO INTERPRET, AMEND, AND ENFORCE THESE RULES AND REGULATIONS, PROVIDED EXHIBITORS RECEIVE NOTICE OF ANY AMENDMENTS WHEN MADE. EACH EXHIBITOR AND ITS EMPLOYEES AGREES TO ABIDE BY THE FOREGOING RULES AND REGULATIONS AND BY ANY AMENDMENTS OR ADDITIONS THERETO IN CONFORMANCE WITH THE PRECEDING SENTENCE. EXHIBITORS OR THEIR REPRESENTATIVES WHO FAIL TO OBSERVE THESE CONDITIONS OF CONTRACT OR WHO, IN THE OPINION OF SHOW MANAGEMENT, CONDUCT THEMSELVES UNETHICALLY MAY IMMEDIATELY BE DISMISSED FROM THE EXHIBIT AREA WITHOUT REFUND OR OTHER APPEAL.
