

## Info Lead: Sales Lead Tracking Service

Info Salons is pleased to announce the launch of a revolutionary sales lead tracking and management service, Info Lead.

Info Lead combines a world-class mobile tracker with a web based leads retrieval system allowing you to create a lead database from all your buyer interactions at **Seafood Expo Asia 2024**.

### Why use an Info Tracker?

- Record the details of each visitor who comes to your booth.
- Records all information of the visitor, including telephone, fax, mobile, email etc.
- The visitor may not bring their business card. Never miss any potential client by using Info Lead.
- Limited sales person on your booth may cause you to lose potential client. By using an Info Tracker you can easily track any person that visits your booth.
- Saves the contact information in real time. An Excel Report will be sent to you after the exhibition.

### Easy to use an Info Tracker

- Press the Power Button at the Right Hand Bottom Connor to turn on the Info Tracker.
- Choose "Scan" to enter the Scanning page.
- Scanning page shows the Number of Scan, Date and Time, and Battery Level.
- Press the Yellow Button at the middle to generate a red line and scan the barcode to record all information of the visitor.

### Info Lead

Info Lead is a useful Customer Relationship Management tool that allows you to follow up on your valuable leads post-show.
