Items included in the stand package are **NOT** interchangeable nor refundable.

WALK-ON PACKAGE STAND REGULATIONS & INFORMATION

PREMIUM WALK-ON PACKAGE: Please refer to the Premium Walk-On Package for stand design upgrade options for standard Walk-On Package stands.

COMPANY NAMEBOARD:

Walk-On Package stands will be provided with a nameboard displaying the company name and stand number as part of their stand package. All corner stands with two sides open will have two nameboards.

Exhibitors must complete and return the [Company Nameboard Form](#) to ensure that the company name displayed exactly as required. If this form is not received, the nameboard will be provided using the name submitted for the Online Company Profile Information, and any alterations requested on-site will incur a charge. It is helpful for visitors if the company name on your stand matches the one in the Online Company Profile Information.

Note: Walk-On-Package company nameboard includes standard lettering only. If you would like your company logo featured in a special font on the nameboard, you may request a quotation from the Official Contractor. NO other alterations to the nameboard are permitted, including placing a foamboard over the system nameboard, hanging posters/materials, or placing a logo or sticker onto the nameboard. If any other alterations are made, the Organizer reserves the right to have the Official Contractor replace the nameboard with the standard company nameboard.

FIXING EXHIBITS:

Double-sided adhesive pads must be used to attach light exhibits to the Walk-On Package panels. Nails, screws, glue, staples, etc. are strictly prohibited. A complete range of fixing clips can be used to hang heavier exhibits. Exhibitors are liable for any damage caused to their stand fixtures and fittings at the exposition. Further information or advice, please contact the Official Stand Contractor.

MODULAR SYSTEMS:

- Exhibitors may dress their stands with their own modular display system, but should ensure that the dimensions fit the provided area.
- Exhibitors are generally not allowed to alter the structure of the stands or remove any integral parts. For special assistance, please contact the Official Stand Contractor **no later than 5 August 2025**.
- No additional stand fitting or display may be attached to the Walk-On stand structure.
- No free-standing fitment may exceed a height of 2.5 meters or extend beyond the boundaries of the allocated stand. This includes company names, advertising materials, and logos provided by the exhibitor.
- No alternations, modifications, or additions should be made to rental equipment without the prior written consent of the Official Stand Contractor.
- Paint, adhesive or any other coating inside the exhibition hall or directly on building columns/pillars and floors is strictly prohibited. The Official Contractor reserves the right to charge the exhibitor for any damages caused to the system materials provided.
- Exhibitors can order additional furnishings and decorations to enhance their stands such as colored display panels, lightings, shelves, literature racks, etc. by reviewing and completing the Official Contractor's order forms in the Exhibitor Resource Center or by contacting the Official Stand Contractor for more information.

REFUSE AND DAMAGE DEPOSIT:

If a Walk-On Package exhibiting company upgrades its stand with a new design and materials other than the Premium Walk-On Package ordered with the organizer, then it is necessary to submit a design drawing and layout plan for approval to the Official Stand Contractor. Additionally, the exhibitor must lodge a refuse/damage deposit (USD5000 for stands below 36sqm; USD1,000 for stands from 37sqm or above) to ensure the stand is cleared from any bulky/large rubbish or damages after the exhibition. The deposit will be refunded to the exhibitor within six to eight weeks after the exhibition if their stand is, in the Organizer's view, clear from damages to the venue and any rubbish. Payment for refuse/damage deposit is by cheque, made payable to "AMC (Exhibits) Ltd."
