## **ACTION MEASURES IN CASE OF EMERGENCY**

ENG

### **WHEN YOU ACCESS THE HALL WHERE YOUR STAND IS LOCATED**

Identify the escape routes, emergency exits and fire extinguishing equipment near your booth and show them to your staff.

### **WHAT TO DO IN CASE OF AN EMERGENCY**

- Stay calm. Avoid spreading panic.
- Inform Fira Barcelona staff and call our Control Centre at: Gran Vía: **+34 93 233 41 00** or use the emergency buttons.
- Do not block the emergency exits.

### **EVACUATING THE AREA**

- When you hear the evacuation order, transmit it to all your staff and to any visitors at your booth at that time and proceed with it immediately.
- Use evacuation routes to reach the emergency exits. Walk, do not run.
- Follow the instructions given over the PA system, and by the security staff (uniformed guards).
- Do not use the lifts.
- Remain at the specified Meeting Point and await instructions. If you notice that someone is missing, inform the emergency staff.

### **WE NEED YOUR COOPERATION**

Immediately inform our Security Department (uniformed guards or by telephone: 93 233 41 00) of any object, situation, or incident which in your opinion might have serious security implications
