

Access South Parking Lot, Loading Dock/Marshalling Yard at the Boston Convention & Exhibition Center (BCEC) from the Regional Highway System

South Lot parking fee

\$25 for normal vehicles, \$50 for oversized vehicles,
(NO overnight parking)

PARKING INFORMATION

Parking at the Boston Convention and Exhibition Center (BCEC) South Parking Lot is expected to be very crowded again this year. In order to accommodate the increased parking needs, there will be overflow parking options available with free shuttle service to the BCEC. Please be prepared that you may need to utilize the overflow parking lot and be aware that other parking lots in the area are not affiliated with the BCEC and Seafood Expo North America/Seafood Processing North America, and therefore could be more expensive than the lots that we have partnered with.

It is recommended that you first go to the South Parking Lot at the BCEC (\$25 per car, \$50 for oversized vehicles), once this lot is full, vehicles will be re-directed to the Channel Street Garage on West 1 Street. Complimentary shuttle service to the BCEC will be provided to and from the Channel Street Garage **ONCE** those parking areas have been opened for vehicles. Please follow the directions on the portable variable message signs posted throughout the area as they will direct you to the Channel Center Garage. Maps with directions to the Channel Center Garage will also be given to attendees parking offsite.

Public/Private Transportation Options

The BCEC is easily accessible by Public Transportation. Below is the link to the MBTA Trip Planner, which will show you the most direct ways to get to the BCEC. Below you will find the link to the MBTA Parking Options, which will show you which train, subway and bus stations have parking. Additionally, there are a number of private bus services that will also bring you into South Station, the information for all of these Park and Rides are listed below.
