Austin Convention Center, Austin TX

DEADLINE: OCTOBER 31, 2024

BOARD OF HEALTH REQUIREMENTS FOR TEMPORARY FOOD SERVICE ESTABLISHMENTS/EVENTS

The City of Austin Public Health Department requires that any organized event or celebration at which food is served or open beverage service is provided and taking place at a location for no more than 14 consecutive days in conjunction with the event submit a temporary food event application and obtain temporary food booth permit(s). As the organizer of the temporary event, Diversified Communications is responsible for submitting the application and picking up the necessary Temporary Food Booth Permit(s) for each booth requiring a permit for food/beverage distribution at The Running Event.

A permit is only required if an exhibitor distributes open (unpackaged) samples of their food or beverage product or handles food/beverage that requires refrigeration.

Event Management will apply on your behalf for obtaining the permit from the Austin Public Health Department. The cost for your temporary food event permit is \$280.00 to be paid by check (payable to Diversified Communications) for The Running Event. Payment by credit card can be arranged by contacting event operations at bmyers@divcom.com.

Exhibitors requiring a permit MUST submit the 'Temporary Food Service Application' and check to Event Management by October 31, 2024. Austin Public Health requires ALL questions on the application form be answered with information provided - they will not accept uncompleted forms.

If you have any questions or to pay by credit card, please contact Brendan Myers at 207-842-5467 or bmyers@divcom.com.
